

Australia Ingredient Information for People with Food Allergies and Sensitivities

July 2026

This information has been prepared using product details supplied by food manufacturers approved by San San. While we strive to keep it up to date, ingredient changes or substitutions may occur before this guide is revised. This list does not cover limited-time promotional items, as their ingredients may differ.

We take care to identify and manage allergens in the foods we prepare. However, we cannot guarantee that any menu item is completely free from allergens. There is a possibility that allergens may be present due to shared storage, handling, or preparation areas. Food items may also come into contact with each other during normal operations, which may not be fully reflected in this guide.
